Index to Back Issues of the Information Resources Management Journal

The Information Resources Management Journal is in its seventh year of publication. We offer you this listing of its contents from its inception. This includes: volume 1, issue 1 (Fall 1988); volume 2, issues 1-4 (1989); volume 3, issues 1-4 (1990); volume 4, issues 1-4 (1991); volume 5, issues 1-4 (1992); and, volume 6, issues 1-4 (1993).
